

# Jayce Boss

Website Developer

Meridian, ID 83646

jayceb.2027@mtchs.org

---

## SUMMARY:

Motivated junior at Meridian Technical Charter High School, pursuing the Web Development pathway. Excited about coding, with hands-on experience in JavaScript and HTML, and eager to gain real-world experience through an internship.

---

## TECHNICAL SKILLS:

- Developed interactive websites with JavaScript that randomized numbers for bot logic
  - Coded and redesigned responsive, user-friendly websites using HTML and CSS
  - Redesigned websites utilizing the WordPress CMS for improved layout and functionality
  - Built a website with Wix's automated design tools to enhance efficiency and streamline development
  - Designed and developed interactive web prototypes using Figma to visualize user interactions
- 

## WORK EXPERIENCE:

### Tarbush Kitchen, Restaurant & Market

Boise, Idaho - May 2025 - Present

- Use customer service skills to handle situations over the phone and in person
- Make food and plates for customers inside the workplace and managed a register
- Work with a team to keep the workplace clean and presentable

### Northwest Youth Corp

Boise, Idaho - June 2024 - July 2025

- Mulched trees in public parks
  - Cleared invasive weeds around neighborhoods
  - Learned important workplace skills with my team in learning exercises
-
